### Platform Updates

Scheduled for an interim release in 2024, **PEP Preview** is a new feature that will showcase a much wider collection of digitized titles from major publishers. The books in this collection will be fully text-searchable, with significant portions available on the platform, and with an option to acquire them directly from the publisher.

### Release Summary

This new release of PEP-Web contains the complete text and illustrations of **83 premier journals** in psychoanalysis, **125 classic psychoanalytic books**, **125 videos**, and the full text and editorial notes of the **24 volumes of the Standard Edition** of the Complete Psychological Works of Sigmund Freud as well as the **19 volume German Gesammelte Werke**.

The PEP archive spans over 114 publication years and contains the full text of articles whose source ranges from 1909 through 2023. There are over **148,030 articles** and 20,564 figures and illustrations that originally resided on 2744 volumes with over 1.34 million printed pages.
